

NATURE AWARDS FOR MENTORING IN SCIENCE – ITALY (2013)

For its annual awards for science mentorship in 2013, *Nature* invites nominations of outstanding scientific mentors in Italy. Two prizes of €10,000 will be awarded, one for a mid-career mentor and one for life-time achievement in mentoring.

Eligibility

- Nominees for an award may be working in any discipline within the natural sciences.
- Nominees should be resident in Italy at the time of the nomination.

Nomination

- Nominees may nominate themselves or be nominated by colleagues and ex-colleagues.
- Nominations for a candidate must include independent testimonials by five researchers mentored by their nominee, not all over the same period.
- Nominations will only be accepted as one complete package, which must include:
 - 1. Nomination package form: to be completed by the principal nominator
 - 2. Nomination forms: completed by five researchers mentored by their nominee, not all over the same period
 - 3. Nominee form: to be completed by the nominee, accompanied by a one page CV
- Complete nomination packages should be sent by email to mentor@nature.com.
- The closing date for nominations is Tuesday 20 August 2013.
